

NOTICE TO RESIDENTS

Easton Place Courts Notice

Hey Mount Pearl!

As part of our continuous mission to enhance recreation opportunities in our community, the Easton Place courts have been identified for improvement. We're planning to take one of the three tennis courts and convert it into a basketball court!

Tell us what you think! Your feedback will help inform how the city will transform the space. Respond to our survey by scanning the QR code or visiting www.mountpearl.ca/eastonplacecourts
