

NOTICE TO RESIDENTS

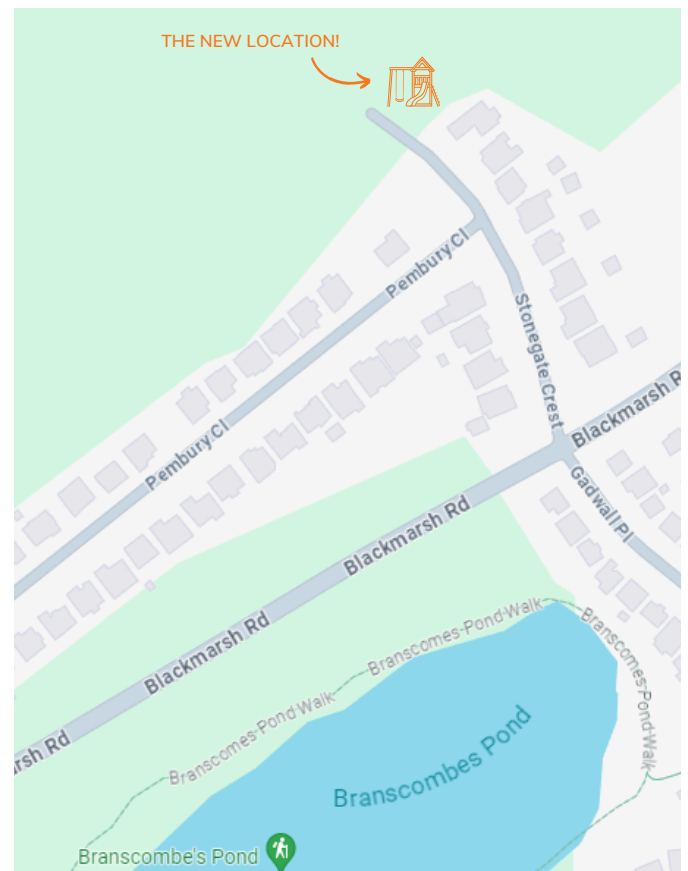

New Playground Location

ANNOUNCING A NEW LOCATION FOR THE HILLSIDE LIVING SUBDIVISION PLAYGROUND!

The playground in your neighbourhood will be reconstructed on city land close to its original location. The park was dismantled this spring as it was originally built on a lot owned by a private developer who has since sold the land. Together, city officials and the developer identified three potential locations for the new playground.

It was determined that the city-owned land next to 12 Stonegate Crest is the best location for children and families in your neighbourhood to play and gather safely. You can expect to see some ongoing construction in your area until the playground has been completed.

We appreciate your patience during this transition.
