Staff have been working closely with Habitat for Humanity NL on the MOU for an exchange of two parcels of land: the City-owned property at 11 Glendale Avenue and Habitat for Humanity's property located at 117A Croucher Avenue. Information was provided on the builds, which include standalone, duplex, and multiple unit housing; and, how the community can get involved, through monetary donations, donation of supplies, sponsorship packages, volunteering including labour, and funding opportunities. Ms. Whiffen advised that Habitat for Humanity are delighted to be partnered again with the City, noting that there have been nine builds in Mount Pearl over the years.
